CBD Infused Massage

By combining the finest CBD infused massage oil, with the massage service you already love, you will experience a new level of relief and relaxation. CBD is emerging as a promising therapy that reduces inflammation and chronic pain, improves skin health and helps alleviate anxiety and stress. CBD — Cannabidiol is a cannabis compound that has significant medical benefits but does not make you feel "high".

Timing

Service does not add time to a massage. Oil is used in place of regular massage oil and can be incorporated into any of the massage services we offer.

Benefits

A member/guest may ask; "Why Should I get a Massage with CBD Massage Oil"? SA should cite the following potential benefits:

- Helps Fight Pain
- Helps Decrease Inflammation
- Helps Protect & Heal the Skin
- Helps to Decrease Stress & Anxiety
- Helps Improve Sleep & Decrease Insomnia

Warnings, Precautions and Drug Interactions

- Member/guest must sign consent/release of liability form prior to service
- A Doctors Notes is expected for clients dealing with Pregnancy, Oncology and Epilepsy
- CBD exhibits no effects indicative of any abuse or dependence potential.
- To date there is no evidence of recreational use of CBD or any public health related problems associated with the use of pure CBD.
- The range of conditions for which CBD has been assessed is diverse, consistent with its neuroprotective, antiepileptic, hypoxia-ischemia, anxiolytic, antipsychotic, analgesic, anti-inflammatory, anti-asthmatic, and antitumor properties.
- SA and MT to advise member/guest of benefits and side effects prior to providing a CBD enhancement
- SA and MT should advise the member/guest taking prescription medications or who may be pregnant to consult with physician prior to a CBD enhancement
- This service is Contraindicated for clients on Prescription Blood thinners like Warfarin / Coumadin. A person should not use this product if they are Allergic to CBD, THC or any other ingredients in the product.
- CBD should not be added to Decompression Therapy

- A member/Guest may ask: How dangerous are CBD drug interactions?

  Answer: "Based on studies regarding the use of **full-spectrum CBD**, it does not appear there have been many problems because of CBD drug interactions. Studies have shown adverse drug interactions involving high doses of CBD isolates. Hand & Stone Massage & Facial Spas only offer the very finest in proprietary **full-spectrum hemp derived CBD products**".

  As a safety precaution, prior to performing or receiving a CBD service, any staff member or member/guest should consult with their physician and sign a consent form.

Service Codes and Pricing

Remember to do the following:

- Check off the service in the Massage Therapist's profile as a service they can perform, once they complete the course.
- Verify the Sales Tax indicator in the Service Definition.
- Assign the Service Commission in the Service Definition.
- Verify the Room Resources in the Service Definition.
